REMARKS

The above is a preliminary amendment for a patent application filed with the PCT/RO/US on Dec. 15, 2003. Although Applicant filed claims and a figure 1 with the original PCT application, somehow they were not published with the PCT publication. Thus, Applicant has included the claims again and the figure once again. The figure is identical to that originally submitted. The claims in this amendment are as originally submitted in the application to the PCT/RO/US, but for the amendments as shown. No new matter has been entered.

Any extensions of time are hereby requested. ***Please charge all fees due and owing to Deposit Account No. 500356 in the name of A + Legal Services - Greenberg & Lieberman.***

Respectfully submitted,
